

## CENTER FOR EDUCATION & ORGANIZATIONAL DEVELOPMENT

### WELCOME!

Welcome and thank you for choosing to partner with CEOD. We're pleased to support your professional educational goals. You can expect that we will have a well prepared and relevant learning experience waiting for you. We will ensure that the necessary materials (ex: handouts, etc.) needed to fully participate in the class are available on the day of the class.

We proudly offer contact hours for many of our courses. Please see the [CEOD Course Description Catalog](#) on our website to check specific classes. Unlike most hospitals, we provide opportunities for our nurses to get all of the nursing continuing education credits needed for license renewal right in the hospital, at no cost to the individual nurse. However, as an approved provider, we will not compromise quality, so arriving late or leaving early, without the express approval of the instructor will result in no contact hours being awarded for that class.

*West Virginia University Hospitals is an Approved Provider of Continuing Nursing Education by the West Virginia Nurses Association (WVNA), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.*

We have tailored your [Course Confirmation](#) to help you prepare for this class. Please review the information and use the provided links to access information that you might need to answer your questions. We additionally invite you to browse our website, [www.wvuheducation.com](http://www.wvuheducation.com), to learn more about the Center and our other educational offerings, resources and services. If you have any questions, please contact our office at 304-598-4045 or 304-598-4063. We welcome your call.

We appreciate your interest in CEOD educational offerings and look forward to seeing you in class!

Sincerely,

Maria Mancini, Director CEOD
